Such swims when combined with the swimmer's entered events must fall within daily individual entry limits otherwise applicable and will be held, if time permits, after the final competition session each day. Swimmers requesting time trials must supply their own lane timers. Entry fees for each time trial swim will be \$10.00 per individual event (plus applicable SES surcharge and facility fee for swimmers not otherwise entered in the meet) due at the time the request for time trial is submitted.

Swimmers must sign up for time trials at the Clerk of Course table within 2 hours of the start of competition each day by submitting a copy of this form with the applicable fees.

The time trial order of events will generally be as follows: current day's events, previous day's events and future day's events. Different strokes of the same distance may be combined and swum at the same time in order to consolidate heats.
