ABSC Volunteers Coaches

Dear Volunteers,

I wanted to take the time to thank you all that helped out with the World's Largest Swim Lesson last Friday June 20<sup>th</sup>. I got nothing but great feedback and complements on the program and how much help you all were. I know all of you have a very busy summer schedules with practice, coaching, etc.. so to take the time last Friday to help these kids improve their swimming skills meant not only a ton to me but to the parents of these children as well. Thanks again for all your help last Friday.

Thanks,

Ben Nyquist
