### What's ABSC all about?

ABSC's 2018 Open Dawghouse is a FREE stroke clinic and open house designed to introduce swimmers to ABSC, and to provide information on swimming during the school year! Attend the Open Dawghouse to...

1. **Receive a free 40-minute stroke** clinic from ABSC's USA swimming certified coaching staff. Breaststroke and Butterfly for advanced swimmers, Freestyle and Backstroke for newer swimmers.
2. **Meet the coaches and hear more about ABSC's program** inside the beautiful Gabrielsen Natatorium facility.
3. **Take a jump off the diving boards** in the diving well once the session is finished, and see why having fun is one of our core principles.

From 6-week clinics, to our competitive USA Swimming, the Athens Bulldog Swim Club has a little something for everyone! [Visit Athensbulldogs.com for more information.](http://athensbulldogs.com)
